

K-Love serves me as a resident of the local community by providing commercial-free positive and uplifting music and discussion on a daily basis.

It would be most distressing to me to have K-Love overridden by an LPFM station. I not only enjoy listening to K-Love, but I support them financially on a monthly basis.

Additionally, I believe the service provided by K-Love is in the public interest. It is important to have listening options, and this Christian radio station provides a safe environment for me, other adults, and even children. There is never a concern about content, no delays needed for bad language.

When I have had to travel for business purposes, it has been wonderful to be able to find K-Love in other cities, to be able to stay connected (so to speak).

Thankyou for your consideration.

Sincerely,

Michele Murmann
